If you need to reference your **Certificate Requirements**, they can be found [here](#).

Once you've completed your Training Certificate Requirements, please submit this log and consult verifications, and verification of extension if applicable, at <https://narmtraining.com/certificate-request/> to request your Certificate.

If you aren't sure how to save your emails as PDF files for upload, please review this [link](#). Alternatively, you may submit your verification emails as image files, here's a resource on [how to take a screenshot](#). If you need further support with this process, please contact admin@narmtraining.com.
