If you need to reference your **NARM Therapist Certificate Requirements** you can find them here:

- Level 2 NARM Therapist Participants starting training in 2022 and later
- Level 2 NARM Therapist Participants starting training prior to 2022

To find approved providers to complete your Certificate Requirements please refer to the following **Level 2 Approved Consultation Providers** document.

Once you've completed your Training Certificate Requirements, please submit this log and consult verifications, and verification of extension if applicable, at https://narmtraining.com/certificate-request/ to request your Certificate.

If you aren't sure how to save your emails as PDF files for upload, please review this link. Alternatively, you may submit your verification emails as image files, here's a resource on how to take a screenshot. If you need further support with this process, please contact admin@narmtraining.com.
