If you need to reference your NARM Therapist Certificate Requirements you can find them here:

- Level 2 NARM Therapist Participants starting training in 2022 and later
- Level 2 NARM Therapist Participants starting training prior to 2022

To find approved providers to complete your Certificate Requirements please refer to the following **Level 2 Approved Consultation Providers** <u>document</u>.

Once you've completed your Training Certificate Requirements, please submit this log and consult verifications, and verification of extension if applicable, at https://narmtraining.com/certificate-request/ to request your Certificate.

If you aren't sure how to save your emails as PDF files for upload, please review this <u>link</u>. Alternatively, you may submit your verification emails as image files, here's a resource on <u>how to take a screenshot</u>. If you need further support with this process, please contact <u>admin@narmtraining.com</u>.
